

PRIME MINISTER • PREMIER MINISTRE

Statement by the Prime Minister of Canada

It is with great pleasure that I congratulate Michael Yellowlees on his inspirational Michael and Luna – A Rewilding Journey, as he walked across Canada to raise money and awareness for Trees for Life, a rewilding charity based in Scotland.

Nine months ago, Michael Yellowlees, from Dunkeld, Scotland, began walking across Canada to raise funds and awareness for a Rewilding charity, Trees for Life. Michael started his amazing journey on the west coast in Tofino, British Columbia in early March 2021 and has walked close to 5000 miles. Michael has since raised over \$50,000 for the charity.

Michael chose Canada for this mission due to the many Scots who left their homeland generations ago, settled here, and contributed significantly to the fabric of our country. He was also inspired by the many and vast beautiful natural environments Canada continues to enjoy and protect.

Despite the challenges faced by the pandemic, I would like to take this opportunity to thank Michael for his inspirational adventure.

My best wishes on the successful completion of your incredible walk across Canada, Michael!
